

## REGAINING ELIGIBILITY

### GPA

In order to maintain eligibility with the Hathaway Scholarship, the following GPAs must be maintained each semester: Provisional/Opportunity levels must maintain a 2.25 GPA or higher; Performance/Honors levels must maintain a 2.5 GPA or higher.<sup>1</sup>

If a student loses the scholarship due to failure to maintain the appropriate Hathaway GPA, Hathaway funds will be rescinded until the first academic semester/term occurring after the Hathaway GPA has been restored.<sup>1</sup>

### SAP

In order to maintain Satisfactory Academic Progress (SAP), students must complete the status in which they are enrolled for fall and spring semesters. For example, if a student enrolls at full-time status for the fall and spring semesters, the student must complete at full-time status.

If a student loses the scholarship due to failure to maintain SAP, Hathaway funds will be rescinded until the first fall or spring semester occurring after SAP has been restored.<sup>2</sup> Summer term can be used to reestablish SAP.

### CE

In order to maintain continuous enrollment, students must be enrolled in at least one college-level course during the fall and spring semesters.

If a student loses the scholarship due to failure to maintain continuous enrollment in an eligible institution, Hathaway funds will be rescinded until he/she enrolls & completes one fall or spring semester as a full-time or part-time student, whichever is applicable.<sup>3</sup> Summer term cannot be used to reestablish continuous enrollment.

\*Semesters of ineligibility count against six-year time frame for scholarship use. Remedial credits cannot be used to regain the scholarship.

<sup>1</sup>An Honor or Performance level student whose GPA drops no lower than a 2.25 can receive the Opportunity level of the scholarship until a GPA of 2.5 or higher is restored.

<sup>2</sup>Students who lose eligibility due to SAP must enroll and complete a minimum of six (6) non-remedial credits to regain.

<sup>3</sup>Students who lose eligibility due to CE must regain based on the enrollment status, full-time or part-time, of the last semester they were awarded.
